- 2020 - 2023  
BABES-BOLYAI UNIVERSITY
- Psychology and Educational Sciences

## LANGUAGES

- English (Fluent)
- Romanian (Fluent)
- Hungarian (Native)

## PROFILE

Enthusiastic and creative UX/UI designer with a background in preschool education. Proficient in brainstorming, designing for both mobile and desktop platforms, prototyping, and enhancing existing web designs. Skilled in increasing user engagement through appealing design solutions. Completed 7 Udemy courses on design principles, Figma, Illustrator, and branding. Eager to contribute my skills to help start-ups to create digital products that are user-friendly and visually appealing.
